TOPS News

by Barbara Mayberry

TOPS manual for new members says, "Actually what TOPS amounts to is willpower, sugar coated in fun and comraderie, and packaged in mutual understanding and common sense." Contrary to what some people mistakenly believe, TOPS members are not allowed to have food at meetings, nor do they take exercise at meetings. TOPS urges its members to count calories and discourages the use of diet pills and fad diets. TOPS was founded on the theory that obesity is an incurable lifelong affliction for many, but like diabetes, alcoholism and other afflictions it is controllable.

At the May 19 meeting, guest speaker Pete Doss, veteran member of the Appomattox Rescue Squad, gave a very entertaining and informative program on the proper use of the Rescue Squad. Interestingly, Pete pointed out that the Appomattox Rescue Squad was the first in the state of Virginia to accept women as members! TOPS appreciates that although Pete puts in long hours of volunteer service in the rescue squad, he nevertheless took time out to visit our club. Thanks, Pete!

TOPS SPOTLITE this week is on young housewife and mother, Pam Watson, our Hospitality Lady. Pam joined TOPS on Sept. 9, 1974, and on Nov. 25, 1974 reached her goal; she then maintained her weight for three months to become the first KOPS (Keep Off Pounds Sensibly) in the Appomattox Chapter of TOPS. On Feb. 24, 1975, at a special meeting, Pam received an engraved silver tray from her fellow members. Pam is still below her goal, and TOPS is very proud of her!

TOPS TIP FOR THE WEEK is to use a small plate to make your food portions appear larger!

TOPS meets every week on Monday night at the **Plaza Farmers National Bank** at 6:30 p.m. See you then?

This reporter, perfect though she may be, mistakenly reported the membership fee to be $7.50, when actually it is only $7.00 to join TOPS! Hope all future mistakes will be in this vein!
